A screenshot of the WordPress login page. The background is a light gray with a subtle pattern. The main heading "Log in to your account" is in a large, black, serif font. Below it is a text input field for "Email Address or Username". Under the field is a line of text: "By continuing with any of the options below, you agree to our [Terms of Service](#) and have read our [Privacy Policy](#)." Below this is a large blue button labeled "Continue". In the center, the word "OR" is displayed. Below "OR" are two circular icons: the Google "G" logo and the Apple logo. To the right of each icon is the text "Continue with Google" and "Continue with Apple" respectively. A mouse cursor is hovering over the Apple logo. At the bottom of the login area is a light gray button labeled "Create a new account". Below that is a link "Lost your password?". The Windows taskbar is visible at the very bottom of the screen, showing the Start button, Search bar, and several application icons including File Explorer, Edge, and Spotify.
